

Funding for Community Social Activities

Did you know that the Lakes of Coppell Homeowners Association has set up a fund to help you in paying for some of the costs of neighborhood social activities?

If you are planning a social activity for your LOC neighborhood and would like to submit your request for help in funding the activity, all you need to do is complete an application form and send it to CMA, who will present it to the Board members for consideration.

The Board has established Guidelines for handling the requests, which include the following:

- Funds cannot be used to pay for any alcohol at the event
- Invitations should be for a particular neighborhood (i.e. Waterside One, Waters Edge, etc) and should be all inclusive (all residents or the neighborhood should be allowed to participate)
- Party organizers need to complete a funding applications form and sign it
- After the event is held, original receipts must be sent into CMA along with an invitation list of those who attended (addresses of households only, no names please)
- A \$250 maximum per neighborhood for all events planned with a maximum of 3 events per year.
- Funds will be available on a first come, first serve basis
- Your event must include at least 50 LOC households (if you are in a neighborhood with less than 50 homes you should invite households in surrounding neighborhoods in order to achieve the 50 household minimum)

A sample of the request agreement is included below.
